REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The Japanese reference from the 3-28-2005 IDS rotates a beverage can relative to surrounding ice water. This is in contrast to the present claim 1 (the only independent claim) which shakes a beverage container together with a coolant container. Thus, in the Japanese reference, the beverage container will move relative to the coolant, while the beverage container in the current claim will not.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William C. Doerrler whose telephone number is (571) 272-4807. The examiner can normally be reached on Monday-Friday 6:30-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cheryl Tyler can be reached on (571) 272-4834. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
